

Our mission is the successful transition of military veterans and their families through the provision of housing, counseling, career development and comprehensive support.

U.S.VETS – PHOENIX 2020 IMPACT

Due to an injury I was not able to work and found myself homeless. I am no longer homeless and it's because of U.S.VETS that I am on my way to be a licensed electrician. If you're a veteran having a hard time and you need help and guidance, then U.S.VETS is the place for you."
