

New Housing for the Homeless

A safe place to stay while getting a fresh start

BETterment Community is a new collaborative bridge housing, employment, and training program aimed at helping people transition out of homelessness and into permanent housing in 90 days or less. Clients are expected to be an active participant in all programming and be fully integrated into our therapeutic community. BETterment Community is now open and accepting clients. To apply, please go to HelpHopeHome.org to Coordinated Entry to find an assessment site to see if you qualify for the program.
