

2022 IMPACT

"I reached out to U.S.VETS when I couldn't afford to pay the rent at my shop, the rent where I was living and the rent to support my child. U.S.VETS provided me with everything I had lost. In a few short months, they helped me find the resources I needed to reverse my trajectory. I have gained employment and acquired my own place. I could not have done it without them."

— Anthony Matlock, U.S. Army Veteran, U.S.VETS – Washington, D.C.
